**BOARD RESOLUTION APPROPRIATING THIRTY MILLION FIVE
HUNDRED NINETY SIX THOUSAND PESOS (PHP 30,596,000.00)
AS SUPPLEMENTAL BUDGET FOR THE YEAR 2024**

WHEREAS, to measure the actual performance of Trece Martires City Water District against its approved Corporate Budget FY 2024, particularly for the period of January to April 2024, the Financial Planning Specialist A presented to this body the status of budget utilization, disbursements, unutilized budget and unpaid utilizations as shown under "Statement of Approved Budget, Utilizations, Disbursements and Balances" herein attached as "Annex A";

WHEREAS, in relation to Trece Martires City Water District and its management's thorough review of the approved Annual Budget FY 2024, there is a need to supplement the said budget to embody changes in the annual estimates of income and appropriations during this year 2024. Any increase in the approved operating budget shall require submission and approval of a supplemental budget to cover the additional expenditures;

WHEREAS, changes in the annual budget may be made within the fiscal year by way of supplemental budgets which shall be enacted in the same manner as the annual budget but not oftener than once a month. In addition, Section 69 of the General Provisions under the National Expenditures Program of the government FY 2024 prescribes, to wit:

"Augmentation is the act of the constitutional officers authorized to use savings in their respective appropriations to cover a deficiency in any existing item of appropriation within their respective offices. A deficiency in an item of appropriation may result from:

- (a) Unforeseen modifications or adjustments in the program, activity or project; or
- (b) Re-assessment in the use, prioritization and/or distribution of resources.

The particulars of the expenditures to be funded from savings should be within the scope of, or covered by an existing activity or project. The existence of an activity or project regardless of the availability of allotment class/es is sufficient for the purpose of augmentation."
